COMMENTS TO NOTICE OF ALLOWANCE, INCLUDING
EXAMINER'S COMMENTS, EXAMINER'S AMENDMENT AND
REASONS FOR ALLOWANCE

Dear Sir:

The Applicant has the following observations on

- (a) Examiner's Comment;
- (b) Examiner's Amendment; and
- (c) Reasons for Allowance,

as found on pages 2, 3, and 4 (first occurrence) of the Notice of Allowability. Items below correspond to the "ITEM NUMBERS" used by the examiner.

COMMENTS TO NOTICE OF ALLOWANCE
U.S. SERIAL NO.: 10/672,719
Attorney Docket No.: RP1-3014-U

ITEM	COMMENT OR OBSERVATION
2	The date identified in parenthesis by the examiner - "(9/25/2003)" - is actually the filing date of this application. The latest IDS in the case was hand delivered on November 16, 2004, and acknowledged by the examiner by initializing the postcard, a copy of which is attached hereto as Exhibit A. Since the Examiner has initialized each PTO/SB/08A form provided therewith, dated the same "12/01/04", and returned the initialized copies with the Notice of Allowability, it is presumed that <u>all</u> of the art thereon has properly been made of record. Kindly advise if that is <u>not</u> the case.
4	In line 3, "CAR" should read ---CFR---
6	In view of the comment made at Item 2 above, the comment "No prior art is made of record" is not understood. Perhaps the comment should read "No <u>additional</u> prior art is made of record". Based on comments at Item 2 above, it is presumed that the IDS provided 11/16/2004 has been considered in this case. Kindly advise if that is <u>not</u> the case.

Done at Kent, County of King, State of Washington, on the
3rd day of January, 2005.

Respectfully submitted,

SHAWN P. LAWLOR
